

CONNECTION ON ANDROID DEVICES

1. To connect to the “eduroam” network from your Android devices, open the link below in your browser:

<https://cat.eduroam.org/>

2. On the page that opens, click on the “Click here to download your eduroam® installer” that is marked in the box.

A screenshot of a mobile browser displaying the eduroam Configuration Assistant Tool (CAT) website. The browser's address bar shows "cat.eduroam.org". The website header features the eduroam logo and the text "Configuration Assistant Tool". Below the header is a banner with the text "eduroam® installation made easy." and "Apple iOS devices". The main content area includes the text "Welcome to eduroam CAT" and "Connect your device to eduroam®". A paragraph states "eduroam® provides access to thousands of Wi-Fi hotspots around the world, free of charge." followed by a "Learn more" link. A prominent blue button with white text, "Click here to download your eduroam® installer", is highlighted with a red rectangular box. The footer contains logos for eduroam CAT, eduroam® Privacy, GÉANT, the European Union flag, and the European Commission.

3. In the window that opens on the right, select “Izmir University of Economics” and continue.

5. The page will direct you to Google Play Store. Click on “Install” on the “geteduroam” program.

6. Once the installation is complete, click on “Open”.

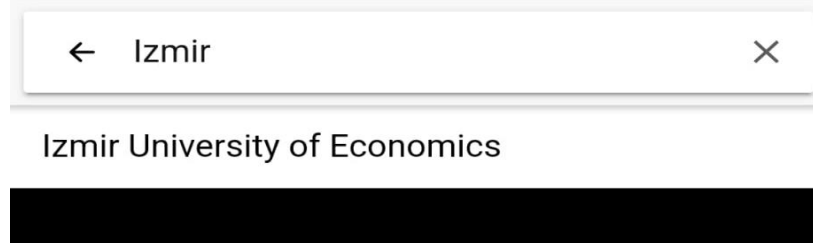

7. On the page that opens, click on “Select an Institution”.

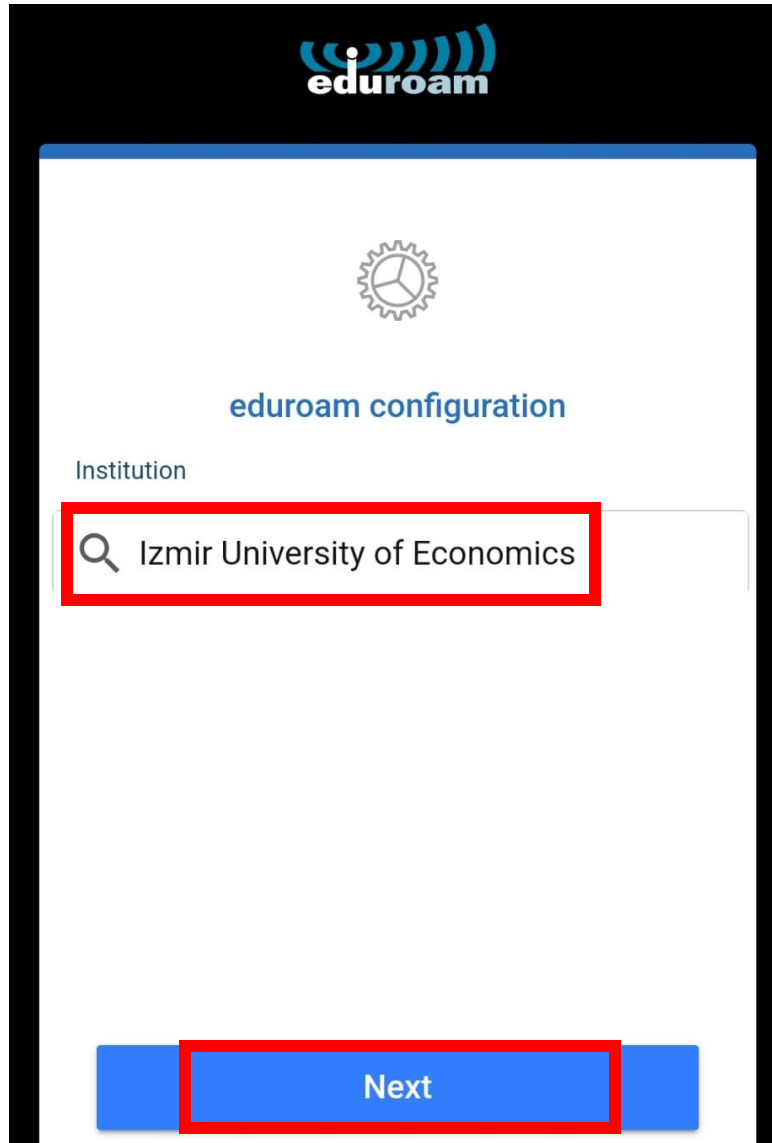

The screenshot displays the eduroam configuration interface. At the top, the eduroam logo is visible. Below it, a gear icon represents the configuration settings. The title "eduroam configuration" is centered. Underneath, the word "Institution" is displayed. A search box with a magnifying glass icon and the placeholder text "Select an institution..." is highlighted with a red border. At the bottom of the page, a blue button labeled "Next" is visible.

8. Once you type “Izmir” in the search line “Izmir University of Economics” will appear, select that.

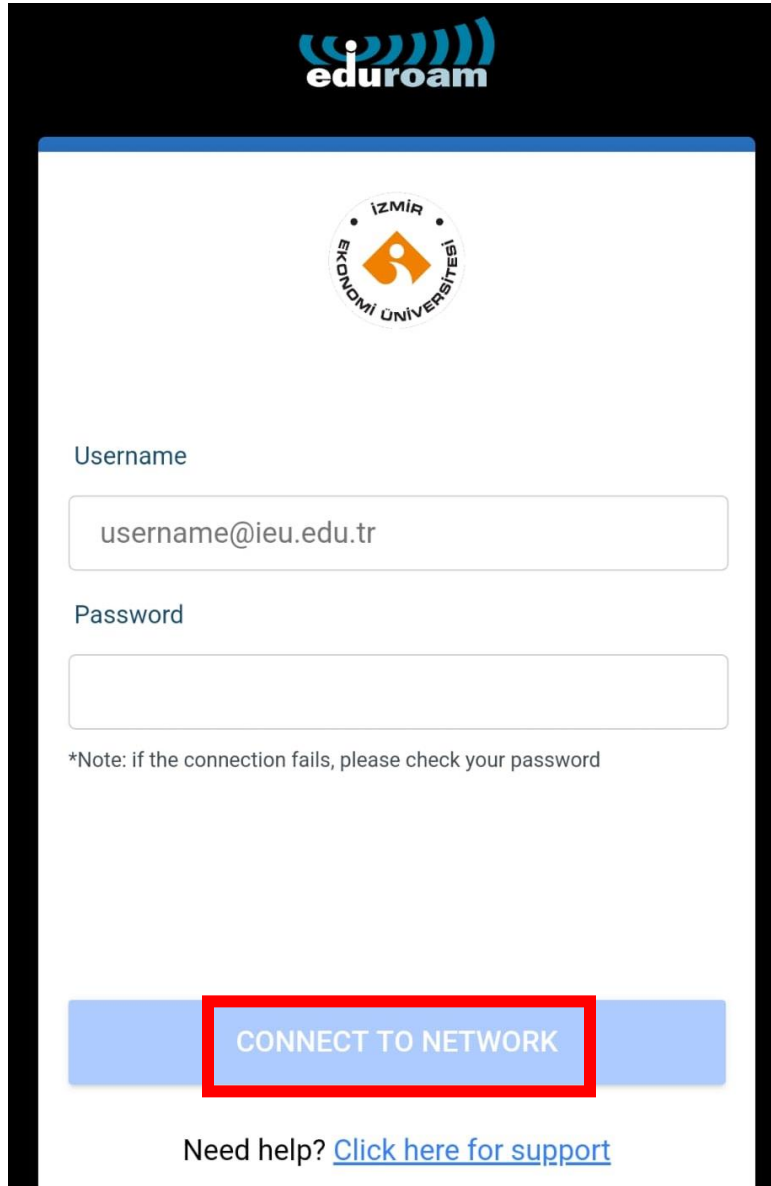

A search bar with a back arrow on the left and a close 'X' on the right. The text 'Izmir' is entered in the search field. Below the search bar, a dropdown menu is open, showing the text 'Izmir University of Economics'.

9. Then click on “Next”.

The eduroam configuration screen. At the top, the eduroam logo is displayed. Below it is a gear icon. The text 'eduroam configuration' is centered. Underneath, the label 'Institution' is followed by a search bar containing 'Izmir University of Economics'. At the bottom, a blue button labeled 'Next' is highlighted with a red border.

10. On the page that opens, enter your info as “isim.soyisim@ieu.edu.tr” in the Username line if you are an academic/administrative staff member, and as “isim.soyisim@std.ieu.edu.tr” if you are a student, enter your mail password in the **Password** line and click “**Connect to Network**”.

The image shows a screenshot of the Eduroam login page for Izmir Ekonomi Üniversitesi. At the top, there is the Eduroam logo and the university's logo. Below the logos, there are two input fields: one for the Username and one for the Password. The Username field contains the text "username@ieu.edu.tr". Below the Password field, there is a note: "*Note: if the connection fails, please check your password". At the bottom of the page, there is a blue button with the text "CONNECT TO NETWORK" highlighted by a red border. Below the button, there is a link: "Need help? [Click here for support](#)".
